Travelpro® The choice of flight crews and frequent travelers.®

max-lite 4

Travel light. Travel right.

Lighter and more durable than ever.

Travel ultra light and assured with Maxlite[®] 4. This extensive collection features 11 singularly lightweight and durable Spinners and Rollaboards[®] with the look and quality of much more expensive luggage. Packed with innovations like tapered expansion for added stability, Contour Grip on Spinners for more comfort and stylish accents throughout, Maxlite 4 makes travel a pleasure. Plus, every piece is tested to our most demanding standards and backed by our reassuring Lifetime Warranty.

Ask flight crews which luggage they use. They'll probably say Travelpro[®].

Originally developed by a pilot, Travelpro[®] luggage has all the qualities flight crews and frequent travelers look for: amazingly durable construction, travel-tested features, premium fabrics, innovative design and quality materials built to go the distance.

Water repellent coating, inside and out

H2O Guard protects interior lining from moisture while DuraGuard[®] exterior coating features stain and abrasion resistance for greater durability.

360-degree Spinners roll effortlessly in any direction you want to move

Our 4-wheel Spinners are easy to navigate through any airport, providing easy maneuverability and a smooth glide in every direction.

Contour Grip for more comfort Patented Contour Grip with rubberized touch points provides more comfort and greater control when pushing Spinner luggage.

Telescoping handle adds length and strength

Stops at 38" and extra-tall 42.5" ensure a comfortable roll for users of different heights. Airline-grade aluminum handles with grooved tubes add strength and stability to support a tote or case.

Travelpro[®] invented Rollaboard[®] luggage.

Durable crash protection

Protective crash-guard wheel housings, skid guard and molded corner guards provide protection over the long haul.

High performance ball-bearing wheels

Built for high-mileage travel, our durable ball-bearing inline wheels are tested to the same standards as those on our more expensive collections.

The flight crews of over 90 airlines use Travelpro® luggage.

Innovative, full-bottom tray adds stability

A unique bottom tray aligns and stabilizes wheels for enhanced durability and effortless maneuverability.

Lightweight durable frame

Polypropylene (PP) Honeycomb framing system integrated with bottom tray provides outstanding lightweight durability.

Exterior ticket pocket on Carry-ons

Allows for quick and easy access to documents and accessories.

Low-profile carry handles

Cushioned neoprene top and side carry handles along with molded bottom cup provide convenient and comfortable handholds.

Tapered expansion designed to enhance stability Roomy main compartment has tapered expansion of up to 2" on select models, maximizing packing flexibility while keeping the center of gravity low.

"Intelligent" interior for packing flexibility

- 1 Full-size lid compartment zips open to keep pressed shirts and pants wrinkle free.
- 2 Zippered side mesh pocket is ideal for storing bulky power cables, chargers, other portable electronics, or socks and belts.
 - Adjustable hold-down straps keep contents snug.

Duraflex[®] anti-break buckles are specially designed to close confidently and reduce breakage.

LIMITED LIFETIME WARRANTY

Congratulations! You have purchased the finest luggage available. This Travelpro® Luggage Collection gives you total confidence and is supported by a **comprehensive** warranty against defects in materials and workmanship.

In the unlikely event that a problem occurs with your luggage as a result of a defect in materials or workmanship, we will repair your bag (or replace it, if repair is not possible) at our expense. Simply contact Customer Service at 1-800-741-7471 to locate the nearest repair facility. **Then send your luggage, freight prepaid, to the repair facility along with a copy of your <u>proof of purchase.</u>**

The Travelpro warranty covers defects in materials and workmanship but does <u>not</u> cover wear or damage caused by abuse, mishandling, accidental damage, inappropriate selection, or carelessness caused by an airline or other common carrier.

In the course of normal handling, your luggage may suffer abrasions, minor cuts, scratches, dents or soil. Certain component parts such as wheels, bumper feet, leather, etc., will show wear. This wear is not covered under the warranty. Travelpro will provide prompt refurbishment services at a nominal cost. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

Note: Please examine your luggage carefully for damage before leaving the airport and immediately report any damage to the baggage service center of the airline on which you traveled.

DAMAGE CAUSED BY THE AIRLINE IS THE AIRLINE'S RESPONSIBILITY. COMPENSATION MUST BE CLAIMED FROM THE AIRLINE AT THE TIME DAMAGE OCCURS.

By not following this procedure, you risk that the damage will not be covered under airline policy or Travelpro's warranty. If you are dissatisfied after making your baggage claim to the airline, please contact: Aviation Consumer Protection Division, US Department of Transportation C-75, 400 7th Street, SW, Room 4107, Washington, DC 20590

Should you have questions about your luggage, or need repair service, call Customer Service at 1-800-741-7471. For more details on our warranty, see warranty registration inside your luggage or visit travelpro.com.

Note: For professional flight crews, duration of limited warranty is 3 years.
