Calphalon’s **Easy System™ Nonstick** cookware features etched fill lines so you can easily measure ingredients, as well as maximum capacity lines and pour spouts. Lids have silicone rims with integrated straining holes that can be aligned with pour spouts to drain water, so you don’t have to use a separate colander or strainer.

- Comfortable, silicone-grip handles stay cool on the stovetop
- Nonstick interior for easy release and clean-up
- Hard-anodized aluminum provides even heating
- Full 10 Year Warranty

---

Calphalon’s **Stainless Steel** cookware combines classic design elements with durable, stainless steel construction.

- Durable, classic stainless steel construction
- Impact-bonded aluminum base for even heating
- Comfortable, silicone-grip handles stay cool on the stovetop
- Full 10 Year Warranty

---

Calphalon’s **Enamel Cast Iron** cookware is made from high quality, heavy weight cast iron, which evenly distributes and steadily radiates heat. Because it retains heat better than traditional cookware, it is ideal for slow-cooking foods to achieve tender and flavorful results.

- Heats evenly and consistently
- Easy to clean black matte interior
- Dishwasher safe
- Oven & broiler safe
- Full Lifetime Warranty
